YOU'LL say "GOOD-BYE" to heavy portables when you see the SENSATIONAL new light-weight HERMES ROCKET typewriter. Featured at the QUILL on GREEN STREET, the amazing HERMES ROCKET is less than half the weight of most portable typewriters. This STRONGEST and LIGHTEST portable of them all, offers a complete, FULL-SIZE keyboard, automatic ribbon-reverse, margin stops, margin release, back space and folding paper support too. The HERMES ROCKET also has a gray crackle finish, and a retractable handle. BUT THAT'S NOT ALL! The dependable HERMES has finger-shaped keys to assure a firm touch. The HERMES ROCKET light-weight portable is available in pica and elite type at the QUILL. So drop in at the QUILL the next time you're on GREEN STREET and see this wonderful new portable as well as all the other popular makes. THE QUILL has them ALL!
